## Local homeless animals need your help.

The Franklin County Humane Society is a non-profit 501C-3 organization formed in 1943. The Society raised the funds to open

the current animal shelter in 1969.

We contract with both the city and county to accept all animals surrendered by owners or brought in as strays by citizens or by the animal control officers. We work diligently to humanely care for the animals that come in and to rehome as many as we can.
